NEW *PROTECT ALL* **BLACK STREAK CLEANER AND DEGREASER** **Extra Heavy Duty, Concentrated & Economical**

NEW Protect All ***Black Streak Cleaner and Degreaser*** is extra heavy duty for the toughest cleaning jobs on RV's, cars, motorcycles, boats and around the home. This concentrated, biodegradable, non-abrasive formula removes black streaks, stains, grime, soft carbon and grease deposits, bugs, tree sap, soap scum and more.

NEW Protect All ***Black Streak Cleaner and Degreaser*** is super concentrated. When diluted with water, it can make gallons of different strength cleaners for use on literally hundreds of outdoor and indoor surfaces such as engines, awnings, wheels, glass, woodwork, vinyl, paint and more. It replaces several different cleaning products, making it very economical for the consumer.

Protect All ***Black Streak Cleaner and Degreaser*** is available in a 32 ounce trigger spray bottle that makes over one gallon of general purpose cleaner-degreaser. For the really thrifty-minded, a One Gallon jug makes over four gallons for only a few cents per ounce.
