KEEP WATERCRAFT CLEAN, POLISHED & PROTECTED WITH ONE GREAT PRODUCT.

A great looking boat used to mean hours of hard work and a small fortune spent on cleaners, waxes, polishes, sealers and protectants. **PROTECT ALLwith Carnauba Wax** is one product that makes that expensive arsenal obsolete — it saves time, money, and elbow grease. **PROTECT ALL** works as a maintenance cleaner for glass and mirrors; a polish for chrome, aluminum and brightwork; a wax for fiberglass, wood and painted surfaces; and a protective treatment for vinyl, rubber and plastic. The UV Blocker in **PROTECT ALL** also aids in preventing fading and deterioration caused by the sun's ultra violet rays.

For additional product information or to order **PROTECT ALL**, please call (800) 322-4491. Our website address is www.protectall.com.
