NOW, WASH YOUR AIRPLANE AT THE TIEDOWN OR IN YOUR HANGAR WITH ONE GALLON OF WATER—NO HOSE, NO RINSING!

NEW PRODUCT MAKES IT EASY, QUICK AND CONVENIENT TO WASH AIRPLANES

(Anaheim, CA) Until now keeping an airplane clean meant a lot of time, a lot of water, and a lot of mess. But now, new PROTECT ALL QUICK & EASY WASH takes all the mess and bother out of washing an airplane. One ounce mixed in a gallon is adequate to wash the bird, from nose to tail — and it doesn't need any rinsing.

QUICK & EASY WASH is sponged on, then chamoised dry. No hose, no soapy detergents, no wasted water, no mess. Dirt and dust are loosened and lift right off, without leaving streaks or smears. It's the perfect solution for pilots who don't want to wait in line at the wash rack and prefer cleaning their bird at the tiedown or right in the hangar. QUICK & EASY WASH is non-abrasive, anti-static and water-repellent, so it not only gets planes sparkling clean, it also helps them stay clean longer by repelling dust, dirt and water streaks.

For additional product information or to order QUICK & EASY WASH, please call 800 322-4491 or 714 635-4491, or contact Protect All, Inc. at 1910 East Via Burton Street, Anaheim, CA 92806. Our website address is www.protectall.com.
