## **NEW *PROTECT ALL SHINE PLUS* From *PROTECT ALL* Solid Surface Cleaner, Polish, Wax & Treatment**

New ***Protect All Shine Plus*** is an economical and effective cleaner, polish, wax and treatment specifically formulated for use on all types of solid surfaces. ***Protect All Shine Plus*** applies quickly and easily. Just spray and wipe dry to clean away grease, oil, food residue, dust and fingerprints.

***Protect All Shine Plus*** protects solid surfaces and aids in preventing scratches with a slick protective finish. The anti-static, water repellent properties of ***Protect All Shine Plus*** stops dirt, grime and water spots from adhering to the surface. Regular use means that future cleaning, polishing, waxing and treating becomes even easier and quicker. The end result on matte surfaces is a natural low luster shine and, on shiny surfaces, ***Protect All Shine Plus*** truly makes them sparkle!

***Protect All Shine Plus*** is available in 6 ounce and 13.5 ounce aerosol cans containing no CFC's, 16 ounce spray bottle and one gallon jug.
