

PROTECT-ALL PRODUCT EVALUATION

It is here! Finally a product that cleans and shines everything from your shoes to your motorcycle. The product is called Protect All and is manufactured by Champions Choice in Anaheim, Calif.

This stuff is the cats meow! It cleans and waxes anything. After cleaning your bike with it, give it to the old lady and she can clean the windows. This stuff is for real. Unlike some other shiners and waxes that claim their product prolongs the life of vinyl, leather and other materials, this Protect All will. You can use it on anything.

You know how when you use these other cleansers and shiners how dust and other particles stick. Not with Protect All. It leaves such a clean and smooth surface that nothing will stick to your paint job.

The neatest thing about this cleanser and waxer is that it is so easy to apply and work with. It is so easy that you can just give the little curtain climber a rag and put him to work.

Just spray the wax on a rag. Wipe the surface you want to clean and wax. After applying the cleanser, take a clean, second rag and wipe the excess off.

The results will amaze you. Don't think for a minute that the BLACK BIKER has stock in this stuff. It really works. We suggest you buy it, you will like it!

For more information call Champions Choice in Anaheim at 714-635-4991 or write them at 1910 East Via Burton, Anaheim CA 92806. You cats on the show circuit better get this Protect All before the competition does.
